Re: Nunez, et al. v. City of New York, et al., 11-cv-5845 (LTS) (JCF)

Dear Judge Swain:

We write to respectfully request that the Court grant a modification to the Consent Judgment (Dkt. No. 249) to lengthen each of the second and third reporting periods by one additional month, changing the reporting periods from four months to five months. Attached is a document that identifies, in track changes, the proposed modification to the relevant section of the Consent Judgment, Section XIX (Reporting Requirements and Parties' Right of Access), ¶1. The requested modification to the Consent Judgment will not alter the first reporting period or the delivery of the Monitor's first report on May 31, 2016. We respectfully make this request because we believe an additional month in the second and third reporting periods is necessary to allow the Monitoring Team to adequately and appropriately conduct the duties and responsibilities required under the Consent Judgment. We have discussed the proposed modification to the Consent Judgment with the parties and they have no objections.

Please do not hesitate to contact us if you have any questions or require further information on the proposed modification.

*The requested modification of the
Consent Judgment is approved.
DE #267 resolved.*

Sincerely,

s/ Steve J. Martin
